1. We note your response to comment one and reissue our comment. Please provide further explanation with respect to the following:

It is unclear how Securities Act Sections Compliance and Disclosure Interpretation Questions 103.04 and 134.02 apply to your situation. Please identify any exemptions your are relied on in decision not to register the issuance of Rollover Options and Assumed Warrants. 5. We note your response to comment 13. Please revise the pipeline table on pages 161 and

While it appears that the BeHealth Agreement is connected to your

content partnership

partnerships with the other content partners listed in this table,

like Dartmouth or USC,

entail. Ensure that the terms of these partnerships are disclosed.

the column "therapeutic area/indications" in the tables. Additionally, revise your
